TAIWAN DAIKIN ADVANCED CHEMICALS, INC.

Subject: HEROFLON 15GL-FF/SHD (CHGL15010) / Statement on suitability for contact with foodstuff .

This declaration refers to raw material and does not necessary cover the finished product.

The material has been manufactured in accordance with the rules for GMP, EC/2023/2006, and there is a traceability system according to **EC/1935/2004**.

The material complies with the following regulations and standards:

- **EU Directive 10/2011 EC.**

Limitation exist for The monomer tetrafluoroethylene SML=0,05 mg/kg. The final product or articles should be tested for global and specific migration.

- **FDA Directive 21 CFR sec 177.1550** PTFE may be safely used as articles intended to contact food,(Fluoropolymers)

The material is manufactured exclusively from the raw material and no other substances have intentionally been added.

It is the responsibility of the customer to determine whether the finished product and its intended use comply with the laws and regulations.

Sincerely yours,

Moncef Allagui
Plant Manager
